

United Way of Central Iowa EDUCATION LEADERSHIP INITIATIVE

United Way of Central Iowa Education Leadership Initiative (ELI) recognizes the exceptional leaders who give, advocate, and volunteer to support youth throughout middle and high school – especially those listed on these pages, our ELI Lead Members, who invested \$2,500 or more to ELI during the 2023 Campaign. Contributions from ELI members ensure our community can offer quality out-of-school programs to provide inspiration and meaningful connections; mentors to provide affirmation, guidance, and a new perspective; and a caring network of support. Please join United Way in thanking these central lowans for their generosity and effort in equitably engaging and empowering the youth in our community.

"We are longtime ELI supporters, going back to almost the beginning of the initiative. We've seen the impact of ELI programs through meeting some of the students, teachers, and facilitators of the different groups and organizations. I've been able to witness these students getting the support they need to truly transition successfully from middle school to high school. Many of them are going on to really be success stories for our community. That's why Jake and I continue to give. We believe in the programs ELI has been funding."
