FOR THOSE  
WHO NEED IT.**

United Way's LINC is for people ages 30 and under who want to make central Iowa even better for everyone. Our dollars and time go to house the homeless, feed the hungry, and fight for those who are struggling in our community.

## **BENEFITS OF LINC:**

- > Participate in volunteer and professional development events.
- > Enjoy networking with like-minded professionals.
- > Become a leader in your organization and community.
