Dear Senator/Representative [insert last name]:

My name is [insert your name] and I reside at [insert your address] in [insert your city], Iowa.

I'm writing to you because I believe provisions in the Senate Health and Human Services Budget that significantly restrict access to public assistance benefits are harmful to Iowa families.

Division XIII of SF606 places barriers between deserving families and the benefits they need. Restrictions like asset tests for food assistance or incentivizing a third-party vendor to reduce public assistance rolls, work contrary to the goal of these benefit programs – to help families in need survive and stabilize.

I ask you to not vote in favor of Division XIII of SF 606, the health and human services budget.

I appreciate your help and ask that you please send me a response letting me know your vote on SF606. My email address is [insert email address] if that provides a quicker and easier way for you to connect.

Thank you for your time and considering my request.

Sincerely,
