United Way of Central Iowa's Women United members promote Early Childhood Success and invest in proven strategies to allow every child in central Iowa to start out healthy and ready to learn. Please join United Way in recognizing and thanking these Lead Women and Women of Tocqueville Society members for being UNITED to THRIVE. Their generous contribution and dedicated commitment is fostering an equitable, engaged and empowered community and providing opportunities for our youngest central Iowans to thrive alongside their parents, guardians and community.

*"I advocate and volunteer for Women United because of its dedicated focus on supporting Early Childhood Success in my community. Together with its partners, Women United strives to equip families and children in their earliest years with foundational development and education to set them up for a thriving future. We strive to provide affordable, reliable and quality childcare – "which goes beyond supporting our youngest students – it's an essential need for our workforce to be engaged and economy to flourish."*
